Loss to Town

Editorial - D.C.J.

Mattapoisett residents were shocked and saddened by the sudden loss of Mr. J. Louis Roberts who was fatally stricken with a heart attack last Wednesday evening. Mr. Roberts has performed invaluable service to his community over the last decade. As a citizen who gave time and effort to town government in a vital capacity, Mr. Roberts exemplified public service in the finest sense. He served the community as a member of the Planning Board in the transition time of rapid growth. During his service, the past 2 years as chairman, Mr. Roberts and his fellow board members wrote the town book in this field. From individual home building, the trend rapidly shifted to development building. As this occurred, the Planning Board has succeeded in shifting the burden of providing proper facilities to the homes in the development to the developer rather than letting the taxpayer foot the bill for mistakes, inadequacies, short cuts, and poor layout and planning as often happened in previous years. The detail involved demands careful investigation and much time. Planning Board members donate their effort in generous service

to their town. Mattapoisett owes a great debt of gratitude to Mr. J. Louis Roberts for quiet excellence in a service that is the keystone of orderly growth. What this town is, and will eventually become, is based in large measure upon his unselfish citizenship. The friends of Mr. Roberts, in this town and on the SMU college campus, where he spent his professional life, will sorely miss him. We extend our deepest sympathy to Mrs. Roberts and her family for a loss which will be shared in some measure by all of us.

Mattapoisett Town News

The Mattapoisett Board of Selectmen are now engaged in obtaining the names of all town veterans of the Korean and Vietnam conflicts for the plaque of honor in the lobby of the Town Hall.

The night flying of the Town flags has been concluded. The flags were flown night and day for as long as the Vietnam conflict was in progress. Now that a peace has been signed the flags will be flown during the hours of daylight.

Selectmen opened bids for a Sanitary Landfill Bulldozer. The specifications

The bids were turned over to Harry Locke, chairman of the Sanitary Landfill Committee, for study and recommendations.

Hiller Sunoco of 79 County Road, Mattapoisett, under the application of Jay E. Hiller of Marion, has been granted a Class I license to sell new cars and trade-in cars. The Hiller Company is a Plymouth, Dodge, Chrysler dealer. No objections were made at the hearing to the application.

Mr. Ralph Schmarsow, manpower coordinator of the New Bedford area, has offered Mattapoisett Selectmen the benefit of his office for the training of townspeople for jobs in the New Bedford area. People interested in training for openings in New Bedford industry should apply to Mr. Schmarsow at the New Bedford City Hall. The Federal Government finances training for those applicants who are accepted.

The Board of Selectmen received a petition signed by approximately 150 people to change the dog restraining law. The petitioners proposed that a permanent dog

Mr. George Hall, executive secretary of the Selectmen's office, has offered help to the sponsor, Mrs. Beverly Klinka, to re-write the proposal to set before the voters for consideration in an article in the annual Town Warrant. According to Massachusetts law, the fines would have to be submitted to a clerk in a court of law.

Two warrants have been served on the Town of Mattapoisett. The first warrant assesses the town $3,321.85 for the maintenance of Plymouth County Hospital, the second assesses the town $36,853. for Mattapoisett's share of the pension and expense fund for Plymouth County.

tapoisett Selectmen. Mr. Small's complaint concerns the small size of the scup being taken off Mattapoisett wharf. He maintains that a 7" scup or larger should be the minimum in order to insure a continuing harvest of that species of fish.

A representative from the Attorney General's office appeared Monday to meet with Selectmen to review the situation on the Sanitary Landfill progress and the old dump problem. This is in connection with the request to start prosecution proceedings against the Town of Mattapoisett for dump burning. This request originates in the office of the Massachusetts Department of Public Health. Town Counsel Leonard Perry, the Board of Selectmen and Mr. Harry Locke, chairman of the Sanitary Landfill Committee, were scheduled to participate at this meeting.

Mr. Manuel Nunes, highway surveyor, has been reappointed to the joint transportation planning group as representative for the town of Mattapoisett.

The Board of Selectmen has received 11 applications for the job of town accountant. They are reviewing applications. Applicants have been invited to appear for an interview Wednesday, February 7th, with the Selectmen.

Mattapoisett's Board of Selectmen has sent a letter to Mrs. J. Louis Roberts and family expressing their great personal feeling of loss and their deepest sympathy on the death of her husband. The Selectmen wrote that Mattapoisett will sorely miss Mr. Roberts' many years of outstanding service on Mattapoisett's Planning Board, the last two years as chairman. They wrote that Mr. Roberts' "death is a major loss to this town and one that will be felt for many years to come".

Mattapoisett Selectmen have written to Governor Francis Sargent urging him to take action to continue payment to Massachusetts towns in lieu of taxes for State land in these towns. The State has taken over 265 acres of land in Mattapoisett for Route 195. It has been the practice of the Commonwealth to compensate towns for the loss of tax revenue in cases where the State has removed such land from the tax rolls. Selectmen have heard that this program is in jeopardy and hence their request to the Governor.

VOTERS OF MATTAPOISETT

Selectman Bud Haley has served the Town with great effectiveness, because his extensive corporate business experience complimented the strong local experience of the other members of the Board.

It is fruitless to speculate what type of experience is more valuable, but it is certain that the Town is constantly being pressured by State and Federal Governments, which use "Big Business" procedures and techniques. This pressure seems certain to increase.

In our opinion, we must have a Selectman both willing and able to lock horns with these powerful agencies that have the capacity to change our way of life. Even more important, we need a man with the capability to deal with Big Government to get us help when help is needed.

Harry Locke has the corporate type of experience we need to balance our Board of Selectmen. He has the ability to stand up and present Mattapoisett's position, regardless of the occasion or audience.

The Board of Selectmen requires good men with a variety of strengths, who will place the welfare of the Town over personal interest. Harry Locke unquestionably measures up to these exacting requirements.

The Board of Selectmen reviewed the budget with the Finance Committee. As of the moment, 83 articles have been prepared for inclusion in the annual Town Warrant for voter consideration starting April 2nd.

Budget Slashed by 1%

Editor's note, D.C.J.

The reaction of the Regional School Committee to the unanimous request by the Finance Committees of Marion, Mattapoisett and Rochester for a $200,000.00 cut in the Regional School budget was $2,370. for a one year period. Is it possible that homeowners' reaction to the Finance Committees' request for support and ideas will top this percentage.

DRISCOLL LANE CORRECTION

Old time residents in the area of the Driscoll Lane development have disputed a statement by developer Bruce Rocha repeated in last week's Presto. According to these old timers, the filled pit dates to the early 1940's rather than the early 1900's with recent alterations of the pit dimensions caused by road building and construction in this area.

BUFFET OF SUPER ENTERTAINMENT

The music of Bachrach and Gershwin as interpreted by pianist Ken Manser; the amazingly advanced culture of the ancient Peruvians as uncovered and pictured by world traveler Julien Bryan; and the excitement of discovering lost hydrogen bombs off the Spanish coast as witnessed by oceanographer George Hampson will be spread, free of charge, before the public and the students and faculty at Tabor Academy as a tempting buffet of super entertainment for Friday evening, February 16th.

These spectacular events plus an ingenious look at Japanese gardening by international horticulturist Mrs. E. Ross Anderson Saturday morning, February 17th; a rare local performance by Cornell MacNeil, basso-perfundo of the Metropolitan Opera Company; the Regional Symphonic Band Sunday afternoon, February 18th, and the intri-

Jr. Grange Anniversary

JUNIOR GRANGE TO OBSERVE ANNIVERSARY

Friday, February 9th, is the 38th anniversary of the Mattapoisett Junior Grange, organized in 1935. Special invited guests will be the first master, Clifford I. Tripp, Jr., and Mrs. Dennis Sylvia, the first matron. Marybeth Breton, lecturer, will make and serve the anniversary cake. Mr. and Mrs. Fred Wilson will participate in the program. Master Lauren Horne will serve at the punch bowl after a short candle-lighting ceremony. At 6:30 a short business meeting will precede the open meeting at the Grange Hall.

The Massachusetts State Grange has named October 7th for the Junior Grange projects to be judged. The national project theme is "Time for Talents", with a large number of projects to select for juniors to make for entering. Mrs. Olive Gifford, matron, has the program. The workshops will concentrate on these articles that will be judged at the Subordinate level some time before October.

TO THE TAXPAYER:

It is my belief that when a candidate seeks public office an open accounting of his reasons for candidacy should be placed before the electorate. The policies which the elected individual will pursue should be known and clearly understood.

I am seeking election to the Mattapoisett Board of Health as a result of a direct and sensitive concern regarding the present and future life of the community. A life-long resident of Mattapoisett, I have been and continue to be keenly aware of its growth and ultimate problems which have arrived as the result of the rapid change and apparent lack of interest and control. My personal exposure to the problems of growth and development, particularly within the past two years, has moved me as resident and taxpayer to seek the responsibility of this public office.

As many of us are well aware, a seeming "lack of interest" is, in reality, a lack of proper time to devote to the demands involved in handling the necessary duties of community office, in this case, the Board of Health. What Mattapoisett needs is a board member who has and can devote sufficient time to the daily responsibilities of that office, one who is knowledgeable of pertinent information regarding the state sanitary code and its recommendations involving septic systems, drainage, perculation tests, observation pits, soil content, minimum distances et al. I have this knowledge.

For several weeks now I have been talking to people from every section of Mattapoisett. I was not surprised to discover that so many people shared similar problems and concerns: sewage, rubbish disposal, harbor pollution, shell fish contamination, flu shots for the elderly, and more! The solution of these problems will demand the services of one who has the time, knowledge, interest and drive to devote to a proper course of action. It will require the services of one who will be responsive to the needs of the taxpayer, one who will listen and will act to provide insurance against the costly mistakes of the past and assure a bright and controlled growth for the future of Mattapoisett.

I have the time, knowledge, and devoted interest to work toward that future.

Sincerely,

IRENE MANSFIELD

"WORLD OF CONSTRUCTION"

"The World of Construction", a new program at Old Rochester Regional Junior High School, brings to the 200 students enrolled in this program, an opportunity to relate to the 100 different occupations related to the construction field.

Mr. Anthony Andrews, mason-contractor, from Mattapoisett, assisted by Mr. John Wright, industrial arts instructor, spent a day at the junior high school demonstrating how to put up a concrete wall using blocks and mortar.

This comprehensive program includes planning, designing and surveying and the actual construction problems. The program will culminate with the students building model homes of their own design.

Old Rochester Regional Junior High School is one of the three schools implimenting this new phase of Industrial Arts. The program is funded under a NDEA Title III grant.

Cooking Corner

A Cook Book Guild Tested Recipe .

Something special to beat the cold weather--a spicy, easy-to-prepare shrimp dish that will make a real change-of-pace meal. From BEST RECIPES FROM THE COOK BOOK GUILD (Doubleday), edited by Pat Fink.

JUMBO SHRIMP, MARGHERITA STYLE

25 raw jumbo shrimp, about 2½ pounds (10 to the pound)
dash of paprika
3 tablespoons olive oil
½ cup butter
½ cup dry sherry
juice of 1 lemon
1½ teaspoons Worcestershire sauce
2 cloves garlic, finely chopped
¼ teaspoon dried tarragon
¼ teaspoon dried basil
salt and pepper to taste

Wash the shrimp but do not remove the shells or tails. To clean out the sand veins, cut the shells with a scissors along the backs of the shrimp. Remove the sand veins with a knife. Make certain the shrimp and shells are clean. Slice the shrimp down the middle lengthwise, but do not cut through completely. Spread apart to form a butterfly shape. Put the shrimp into an oven-proof casserole or baking dish. Sprinkle with paprika and olive oil. Re-serve.

Melt the butter in a saucepan over very low heat, being careful not to let it burn. Add the dry sherry, lemon juice, Worchestershire sauce, garlic, dried tarragon, dried basil, salt and black pepper. Stir with a wire whisk until sauce is thoroughly blended and heated. Keep hot.

Broil the shrimp four inches from the source of the heat in a preheated, very hot (450°F.) broiler for five minutes, turning once. Be careful not to scorch the shrimp. Pour out the olive oil. Pour the sauce over the shrimp. Broil for one minute longer. Serve at once, Serves five.

Berklee College of Music in the amounts of $1000, $500 and $250 will be presented.

The members of the band are: John Hinman, Mark Harris, Richard Barros, and James Childs, trumpets; Susan Buckley, Kim Knight, Charles Hutchings and Hannah Clark, trombones; Mark Orze, Joel Hartley, Laurie Hauptman and Donna MacLean, saxophones; and Scott Atkinson, Jeffrey Dunn and Deborah Nottage, rhythm section.

CAREER EXPO '73 AT ORRHS

Career Expo '73, sponsored by the Department of Education, Project ERR and the Old Rochester Regional School District, will be presented on Monday, April 23rd, at the Old Rochester Regional High School from 9 A.M. to 4 P.M.

Fifty booths, serviced by companies, business schools, junior colleges, community colleges and professionals, await students from area schools.

The theme, "Choice Not Chance-Occupational Options", is indicative of the desire to bring to the student a realistic presentation of the world of work.

Sippican Pomona

SIPPICAN POMONA SLATES JUBILEE

At the last executive session of the Sippican Pomona final arrangements for the Jubilee festivities were completed. Banquet will begin the program being served at Gaudette's Pavillion Sunday, April 29th. Reservations must be made not later than April 14th with Paul Ouellette, Pine Street, Rochester. The Women's Federation of Fairhaven and the Two Dots of Bay State Pomona will furnish music. Louise Westgate, member of West Wareham Grange and first lecturer of this Pomona, will read its history. Dignitaries of the National and State Granges will be in attendance.

Past Master Gilbert Collins was authorized to have the Pomona Chalice refurbished for this occasion. Mr. Collins has engaged Nicholls & Sons of Taunton, professional silversmiths. They told him that this chalice was made of pure pewter. This chalice was presented to the degree team when the 5th degree of the Order was conferred for the first time November 4, 1923 in the old Temple Hall in Onset, when 500

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night with worthy master Mark Harris presiding. Honored guest was Fred Wilson, master of West Wareham Grange.

A great deal of time was spend on an important order of business. Under correspondence a pleasing letter was read from the town assessors by the secretary. Plans were made for transportation to Marion Grange Wednesday night, February 7th, when the officers will fill the chairs and conduct the lecturer's program. Officers are to contact the drivers: William Smith, Mark Harris and Mark Breton. On May 3rd, inspecting deputy Joseph Lavash will make his official visit for State Master Wesley Thayler.

Mrs. Otto Kellish received the prize for the lecturer's march. The lecturer's program was a copy of the past. By coincidence the lecturer has a program book printed in 1917 when Dr. Walter Blaine was master and Annie Dexter lecturer. The program was used for last Thursday night as follows:

The lecturer's quotation at the top was: "If you would climb, start from where you stand now".

First, current events by the master.

Michael J. Hickey
2 Church St., Mattapoisett

Second, 2 minute talk on helpful suggestions, one by William Smith who spoke on the time when one is about to retire, it will be the greatest turning point of a lifetime, learning the first step, about your Social Security, remembering the jar of coins you saved and buried behind the barn and realizing the time has come to dig them up, plus the reserved currency you have hidden under the floor, one should start building a new image as they approach the retirement age, and when all is said the greatest retirement blessing will be their children and grandchildren.

Third, Susan LaFleur, who had the second helpful suggestion, spoke of the value of baking soda and its many uses.

Fourth was an address on "True America" that was given by the Rev. J.P.W. Peacock in 1917. Mr. Earle Wilson gave a most inspiring talk on that same subject. He spoke of the wars, of the beautiful buildings we have, such as memorials, churches, libraries, colleges, schools that make America beautiful, but that isn't America, said Mr. Wilson. It is the people who are the "True America".

On Worthy Master Harris' current events he spoke of the war, its ending, the boys coming home, facing many changes in hometowns and people, and the changes in the boys to the people they come home to. He

spoke of the many things we could do to help them.

The lecturer remarked on a program most worthwhile and fruitful from the past; from those who put in a firm foundation for the order of patrons of husbandry. Those taking the same topics of those in 1917 and using their own words did an excellent job.

The fun part of the program was after the meeting when Master Harris demonstrated the value of pipe cleaners and straws and the many things that can be created with them.

Kathy Buckley was hostess and served punch and brownies.

The next meeting, February 15th, will be a drama workshop. There will be a pot luck supper Friday, February 16th, in the downstairs hall. Members and friends are to bring a dish, place setting and 50¢. This is a ways and means project.

Duplicate Bridge

The first bridge game of the Mattapoisett Women's Duplicate Bridge Group was held last Tuesday at the Mattapoisett Inn. The North-South winners were: Mrs. William J. Helden and Mrs. Roger C. Morris, first; Mrs. Archibald Lammey and Mrs. Jack C. Bills, second; and Mrs. Linwood C. Lewis and Mrs. Dorothy B. Harris, third.

The East-West winners were Mr. and Mrs. Malcolm Morse, first; Mrs. Robert C. Lawrence and Mrs. Henry F. Pallatroni, Jr., second; and Mrs. George M. Hall and Mrs. Norbert V. Perry, third. Prizes were awarded to all of the above winners.

Future bridge games will be held every other Tuesday at the Mattapoisett Inn, starting time 10:00 A.M. The next game is scheduled for February 13th.

ENCORE CONCERT AT ART CENTER

Miss Robin Walsh will present an Encore Concert at the Marion Art Center on Friday, February 9th, at 8:00 P.M. Her twelve string guitar will be the only accompaniment for her husky contralto voice in a variety of tunes ranging in scope from modern folk to classical.

The Art Center will be arranged for cabaret seating and refreshments will be served. Due to the great popularity of her last concert, early reservations are advised. For tickets phone Wendy Bidstrup at 748-1035.

ACTIVITIES AT YMCA

An increasing number of Mattapoisett residents are taking advantage of the wide range of activities for all members of the family at the New Bedford YMCA. Family swims every Friday and Saturday night and the special father and son programs on Tuesday evening and all day Saturday are increasingly popular during this winter season.

Physical fitness programs for women every Tuesday and Thursday mornings followed by recreational swimming is an especially attractive activity for more and more local residents. Numerous fitness classes for men are scheduled throughout the week and are attracting large numbers. Golf classes for both men and women will start the week of February 12 and will be taught by Mattapoisett resident Huston LaClair who is the professional at the Country Club of New Bedford.

SUMMER RESIDENT DIES

Word has been received here of the death last week of Mrs. Edward F.R. Wood in Philadelphia. She had been a summer resident of Mattapoisett since 1923, although failing health had prevented her from enjoying her home on Ned's Point Road for the past few years. Her son, Edward F.R. Wood, Jr., author of "Sailing Days in Mattapoisett", and her dauther, Anne (Mrs. George Donald), continue to maintain summer homes here.

European Trips Planned

STUDENTS GOING TO ITALY

Students, staff and parents attended a coffee hour on Tuesday given for the group leaving for Italy on February 15. Mr. William Cotton, representing National Travel Company of Boston, who again this year arranged the trip, and Mr. Richard Fairweather of the Marion Branch of the National Bank of Wareham discussed the itinerary and the money system. Movies were also shown.

Plans are in the making for the April trip to Paris. This trip is available to former students and to parents as well as students of the Old Rochester Regional High School. Included in the itinerary are trips to Versailles, Chartres, Malmaison and visits to the Chateaux District, along with extensive touring of Paris proper. The trip departs on April 12, returning on April 20. Interested parties should contact Mr. Berard at the high school as soon as possible.

FOODS CLASS PREPARES DINNER

The dinner was served by candlelight. There was music in the background. The guests were the Old Rochester Regional School Committee and administration. The hosts and hostesses were members of the Foods Class at the high school. The meal was planned,

Homemaker of Tomorrow

Old Rochester Regional High School's 1973 Betty Crocker Homemaker of Tomorrow is Lisa Saether. Selected by score in a written knowledge and attitude examination taken by both senior boys and girls on December 5 Lisa will receive a specially designed award from General Mills, sponsor of the annual Betty Crocker Search for American Homemakers of Tomorrow. In addition, Lisa remains eligible for state and national honors.

The State Homemaker of Tomorrow, to be chosen from all school winners in the state in judging centering on performance in the December 5 test, will receive a $1,500 college scholarship. A 20-volume reference work, "The Annuals of America", will also be presented to the state winner's school by Encyclopedia Britannica Educational Corporation. The second-ranking student in the

In late April, the 51 Betty Crocker Homemakers of Tomorrow representing every state and the District of Columbia, each accompanied by a faculty adviser, will gather in Washington, D.C. for an expense paid tour of the capital city and Colonial Williamsburg, Virginia. Culminating the tour will be announcement of the 1973 Betty Crocker All-American Homemaker of Tomorrow and three runners-up. To be selected through personal observation and interviews during the tour plus state-level judging results, they will be awarded increases in their scholarships to $5,000, $4,000, $3,000 and $2,000.

Instituted in last year's Betty Crocker Search, a $1,000 Nutrition Scholarship is included in the program again this year. Recipient of this grant will be the participating student who is planning a college major in nutrition or a related field, ranks among the highest in his or her state on the overall examination and, from those meeting these two criteria, achieves the top score on the test's nutrition questions.
